FREQUENTLY ASKED QUESTIONS

What is the best way to contact you or to place an order?

If you have any questions, please email us at catering@gordysinc.com and we will try to respond within the business day. If your call comes in later in the afternoon or on the weekends, we will get back to you on the following business day.

When you are ready to place your order, you can call your local Gordy's Market or email us your order. Please let us know what time you would like to pick up your order or have it delivered (please allow a 30 minute window in either case). Special arrangements can sometimes be made for slightly earlier or later pick-up times.

What can I expect when I order from Gordy's Catering?

All of our food is prepared fresh for your order. We guarantee that hot foods will arrive hot and that cold foods will arrive cold.

Can I meet someone in person?

If you would like to meet in person, let us know and we will set up an appointment.

How will my order be packaged, presented, served, etc?

All of our cold food is plated on or in sturdy plastic catering trays or bowls with pop-off dome lids. They are fully garnished and ready to serve. All you will need to do is pop off the lid. These platters are disposable and are yours to keep. Hot entrees are packaged in aluminum catering pans with lids.

How much notice do I need to give for a catering order?

We typically require at least three days' notice for orders. During particularly busy seasons, more notice is preferred to ensure that your order gets to you as requested. However, if you need something in a hurry, let us know and we will work with you to meet your needs.

What is your delivery policy?

The times of the delivery window represent the earliest to the latest times we could arrive. Our earliest delivery window is 6:00 AM and our latest delivery time is 6:30 PM. Ideally, we would arrive at least 15 minutes before your guests (depending on your event) so you have time to set up your buffet.

What is the charge for delivery?

Our delivery charge starts at \$25. Longer distances or difficult areas to deliver to will be an extra charge. Your delivery charge will be discussed with you by one of our catering coordinators. If an order is so large that it requires two people and/or two delivery vehicles, or if there are access challenges (stairs, difficult parking, etc.), additional charges may apply.

Do you set up the food?

When we deliver, we simply drop off the food. You are in charge of the set-up, since the food is essentially ready to serve. If you would like help setting up, please let us know ahead of time. We must allow for a "set-up" window. Charges for set-up start at \$25.

Do you have attendants to work at my event?

Some locations do offer attendants to keep buffet tables full and fresh for a charge of \$25 per hour per attendant.

Can I get a quote of cost per person?

Yes, our catering coordinator will set that up for you once you decide on your menu.

Can I ask for substitutions or ingredient elimination from recipes?

We will honor this request whenever possible. There may or may not be a separate charge for this. Our catering coordinator can discuss this with you.

How do I pay for my order?

You can pay at the Gordy's store that is handling your event on the day of pick-up or before delivery. If you would like to pay in advance or over the phone, our catering coordinator will arrange that for you.

Do you do tastings?

Yes, with notice we can arrange for you to taste items before you decide to order. Just let us know and we will discuss your options and schedule a time convenient to you.
